BANK OF AMERICA TRANSLATES WORDS INTO ACTION

LOANS for construction of SMALL HOMES

As its part in the statewide effort to help bring back good times, Bank of America is making loans for the construction of small homes. Such loans to be repaid by installment payments... Bank of America offers this cooperation in support of the program of the United States Government and the Reconstruction Finance Corporation, to put dollars to work. Again this institution demonstrates its faith in California... Release of these loanable funds to individuals building small homes, means stimulation of the entire building industry and real estate development—more men at work. More men at work means greater buying power; one further step toward a sound prosperity... We are desirous of rendering a human, broad, constructive community-building banking service, and favor the making of small loans to the greatest number of worthy borrowers... Let's speed the wheels of industry—here in California—Now!

ASK FOR BIDS JUNE 20TH ON HEALTH BLDG.

Plans and Specifications for Unit in Torrance Are Approved This Week

Bids will be called for June 20 on the new Torrance Health Center, following approval of plans and specifications by the county board of supervisors this week.

"I had a conference with representatives of the Los Angeles County Medical Association, the group that wrote us urging the county expend no further sums for health center work at this time," Supervisor John R. Quinn of the fourth district, told the supervisors when he moved to advertise for bids this week. "While their organization is not in sympathy with public health work, nevertheless they had to admit that it should not be abandoned now that the county has gone this far in the work, and since the city of Torrance has spent \$20,000 to provide the county a site for the building.

"I move that bids be advertised for immediately, in order that we may award the contract for this important project for the southwestern part of the county before the end of the present fiscal year," Quinn said. The motion carried unanimously, and it was decided to insert the first advertisement Tuesday, and allowing the necessary two weeks the bids could be opened June 20. Allowing one week to check over the bids, the contract would then be awarded the following Monday, June 27, the last Monday in this fiscal year.

Plans and specifications for lathing and plastering, tile and marble work, plumbing, heating and ventilating, painting and electric wiring and fixtures also were approved by the board of supervisors this week, upon recommendation of the county's chief mechanical engineer, William Davidson.

The building is referred to as the "Redondo-Torrance health center," indicating that it will serve the beach community also.

ELEMENTARY SCHOOL DOINGS

The school operetta, "Mother Goose Extravaganza," will be presented tomorrow evening, June 10, at 7:45 p. m. in the high school auditorium. It is anticipated that a large audience will observe the performance. Much practice and preparation has been given to make the program an outstanding success. Mrs. Bessie Haskin is general chairman and Mrs. Mabel-Ella Sweet is musical director. Tickets may be secured from pupils or at the box office in the high school the evening of the entertainment.

The office of the principal, William M. Bell, Jr., was the setting for a delightful tea-party, Friday, June 3. Mr. and Mrs. William M. Bell entertained the members of the faculty in a most pleasing manner. Mrs. Sylvia Nelson and Miss Madeline Murphy poured. The outer and inner offices were beautiful with bouquets of roses most artistically arranged. The new draperies, made by the development pupils under the direction of Mrs. Helen Wittstein, were admired by all.

June 14 at 1 o'clock, the Thrift parade will take place on the high school track grounds. The public is cordially invited to view the parade from the seats in the bleachers. Participants will be pupils who have opened a school savings account this year, or who have made a deposit on an old account. Many interesting and unique banners will be displayed.

Torrance High Entertains the Scholarship Fed.

Members, Sponsors Gather for Annual Business Meeting and Banquet

Torrance high was host Friday evening to representatives of California Scholarship Federation when members and their sponsors from Bell, San Pedro, Banning, Long Beach Polytechnic, Long Beach Woodrow Wilson, Gardena, Inglewood, El Segundo and Venice high schools were entertained. At 7:00 o'clock 65 guests were seated in the faculty cafeteria where they enjoyed a daintily served banquet. The Japanese motif was used throughout the decorations with fans for place cards and Japanese bouquets with good-luck wishes suspended from the foliage adding a realistic touch.

Officers for the ensuing year elected at this time were Bell High, president; San Pedro, vice president, and Torrance, secretary. An invitation was extended by Gardena to the group to hold their first meeting of the district at their school next year.

At 8:15 the group retired to the auditorium where they enjoyed an especially pleasing program beginning with a group of vocal selections by the Madrigals, directed by Mrs. Marjorie Elschen. A play entitled "Bills," featuring Ula Paisley, Eugene Stegemeyer and Cleo Long, members of the sophomore class, followed, and a Chinese dance number entitled, "The Chinese Warrior and His Bride," by Edward Hartwell and Mary Ogata was thoroughly enjoyed. The program was concluded with "Living Statuary" posed by Pal Marie Henry directed by Miss Ada Chase.

Torrance joined the California Scholarship Federation, which is a state organization, in 1927 under the sponsorship of Miss Irene Mills. In order to qualify for membership in the society it is necessary to earn consistently high grades through the high school course.

Evangelistic Services Will Begin Sunday

Large Tent Near Christian Church Will House Congregations During Series

The Dr. Jesse R. Kellems evangelistic party of New York City, will begin their campaign with the Torrance Christian church next Sunday, June 12. Dr. Kellems will preach his first sermon at 11 a. m. The personnel of the party is as follows: Jesse Randolph Kellems, D. D., Ph. D., S. T. D., F. R. C. S., preacher; Homer Flint Kellems, A. B., musical director; Fay Kellems, chalk artist, who draws a

Inez Toledano Kellems

beautiful picture each evening which is given to someone at the service; Inez Toledano Kellems is the violinist of the party.

The following is the program for the week of June 12:

Sermon, "The Way of Salvation"; duet, Mr. and Mrs. Homer Kellems; beautiful chalk picture by Mrs. Kellems.

The Sunday evening service for June 12 will be held at 8 o'clock on account of the union baccalaureate service to be held at the Torrance high school auditorium at 7 o'clock.

Monday—Sermon, "Quit Your Meanness"; pictures, "Totem Poles of Alaska"; great congregational singing; chalk picture by Mrs. Kellems.

Tuesday—Sermon, "Made All Over"; solo, Dr. Jesse R. Kellems; duet, Mr. and Mrs. Homer Kellems; pictures, "Sitka, Alaska," travelogue.

Wednesday—Sermon, "The Sermon That Converted Mrs. Kellems"; male quartet and pictures of Lake Oregon; Mrs. Kellems in beautiful chalk drawing of this lake.

Thursday—Sermon, "The Church of the New Testament"; duet, Kellems brothers; chalk drawing and pictures of British Columbia.

Friday—Sermon, "What Must I Do to Be Lost?"; young people's chorus and vocal duet; chalk drawing and pictures of South Africa.

These special meetings will be held in a big tent to be pitched on Engracia avenue near Torrance Memorial hospital each evening at 7:30, excepting Saturdays.

For mothers: A comfortable nursery will be maintained at the church where your little folks can play and your babies sleep while you enjoy the services.

City Water Dept. Buys Site For Wells

LOMITA.—Purchase of an 80-foot lot in the vicinity of Lomita boulevard and Wilmington avenue was consummated this week by the department of water and power of the city of Los Angeles. It is to be used as well sites, the purchase order states, although it is not stated when drilling operations will be started.

The property was purchased from Corbuser and Company and the price was \$275.

Scouts Receive Badges and Awards at Friday Rally

At the regular inter-patrol rally held at Scout hall Friday night, the Pine Tree patrol was awarded a pennant as winner of the Honor patrol contest. The Stag patrol, the newest group of Troop 3, was awarded the rally pennant as winners of the troop skit contest.

Badges were awarded by Assistant Commissioner W. T. Jones to Ross Nelson and James Parks, tenderfoot; Clark Soule, Jack Peterson and William Keefer, second class; Harry Lawver, first class; Frank Lawver and Dale Howe, merit badges. James Miller has completed his tests for rank as Eagle Scout and will be awarded the badge as soon as the New York department has finished checking his record.

Tommy Wilkes was given the honor as the best dressed Scout in the weekly inspection.

Bank of America In Move to Aid Home Builders

Extend Credit Policy to Favor Loans for Construction of Small Homes

Stimulation of California's building industry and increased employment in the building and allied trades, as a result of the Bank of America's action in extending its credit policy to favor loans for the construction of small homes, was predicted by Will F. Morrish, president, who spoke on the Bank of America's "Back to Good Times" program last Saturday evening.

"We are now making loans to aid people in the construction and ownership of small homes and thus to take advantage of the lowest building costs in 20 years," said Morrish. "These new loans will

DECEPTIVE PACKING COSTS MAEDA A FINE

S. Maeda, a Japanese truck farmer, was given a fine of \$50 or 25 days in the county jail, half of which was suspended Monday on a charge of violation of the food laws preferred by Inspector H. W. Bradway. The balance of the fine was paid and Maeda was released. The charge grew out of deceptive packing of strawberries.

make it possible for many people in moderate circumstances to now build the home of their dreams, to plant gardens and flowers and to watch their children play on their own green lawns.

"These loans may be repaid in installments over a period of years. As these funds are loaned, the entire building industry with its tens of thousands of workers, will be helped."

Morrish devoted some time to discussion of "signs of returning confidence." He declared that the Bank of America's own experience in increased deposits and the return of idle money to the bank is proof of a more determined attitude on the part of the people.
